

# Technical Data Sheet

## Blackfriar Line Marking Spray

**Blackfriar Line Marking Paint** - A high performance, quick drying line marking paint. Suitable for interior and exterior use in environments including car parks, sports courts and fields, factories, warehouses and building sites (for survey work etc).

### Performance characteristics –

- Rapid one coat coverage
- Easy upside down spray action  
Effective in high traffic areas
- Non-clogging nozzle

### Directions For Use:

1. Check the surface to be painted is dry and free from dirt, dust, grease oil and other materials which may prevent paint adhesion.
2. Shake the can vigorously. Once you hear a rattling sound, shake for a further 2-3 minutes to ensure paint is properly mixed.
3. Invert the can and aim the nozzle at the surface to be painted. Depress the pads each side of the nozzle to release the paint. This can may be fitted to an applicator (sold separately). In this instance, fit the can to the applicator and pull trigger to release the paint.
4. For a more accurate and denser line, ensure the can is in close proximity to the surface being painted.

**Drying Time:** Drying times are dependent on the temperature at which the product is applied. For best results the temperature should be above 10°C in which case the product will be touch dry in 15 minutes.

**Coverage:** 400ml can produces a 50mm (2 inch) wide line approximately 32-56m (100-175ft), dependent on thickness of application.

**Storage:** Clean the nozzle after use and store product sideways to prevent blocking.

### Danger

Extremely Flammable aerosol.

Causes serious eye irritation.

May cause drowsiness or dizziness.

Keep out of reach of children.

Keep away from heat/sparks/open flames/hot surfaces. –

No smoking.

Do not spray on open flame or other ignition source.

Pressurized container. Do not pierce or burn, even after use.

Use only outdoors or in a well-ventilated area.

IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do so.

Continue rinsing.
