PRODUCT DATA SHEET

Product	Briwax Wax Polish
Type	A high-quality wax polish based on natural waxes to provide a simple, easy finishing system for unfinished/raw timber or over French polished surfaces on occasional furniture in the home or in a workshop.
Intended Use	Suitable for use on most wooden surfaces.
Special Features	Easy to apply and buff. Gives a long-lasting satin sheen. Rapid drying. Can be applied directly to timber or onto Briwax Shellac Sanding Sealer. Available in Clear and Black.
Preparation	The surface must be smooth, clean and dry. Briwax Wax Polish may be used on previously waxed surfaces. For best results, clean surface first with Briwax Furniture Cleaner
Application	Apply using a lint free cloth thoroughly working the wax into the grain. Leave to dry for 10minutes, dry buff to desired finish with a soft, clean cloth. Note; best results are obtained if the wood has previously been coated with Briwax/ Rustins Shellac Sanding Sealer . Rustins Danish Oil can also be used as a primer
Coats	Two coats are usually sufficient, but more coats can be applied to build up the sheen.
Drying Time	Quick drying.
Re-coating Time	If required, re-apply after 15-20 minutes depending on temperature and humidity.
Application Temp.	Ideally 15-25°C.
Coverage	N/A
Maintenance	Re-apply as required.
Compatibility	Compatible with all types of wood finishes. If in doubt or when waxing antiques or pre-finished furniture, check compatibility first. For best results and to prevent a blotchy appearance on porous woods, seal untreated surface with a varnish, finishing oil or sanding sealer. Not recommended for use on dining tables and kitchen worktops.
Settlement	N/A
Shelf-life/Storage	A very long time, if stored in the original sealed container in a cool dry place.
Hazards	Flammable. Harmful to aquatic organisms. Keep out of reach of children. Keep Container tightly closed. Keep away from all sources of ignition. No smoking. Full Health & Safety Data is available on request
Clean-Up	Hands and application cloth may be cleaned in warm soapy water.
Sizes	200g, 400g, 5litre and 20litre
